

Aspen Dental: 16 Locations in 7 States

PROJECT DESCRIPTION

Client: Aspen Dental

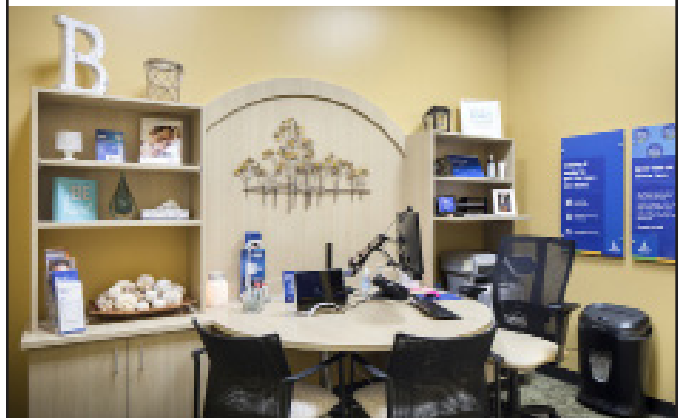

Location: Idaho, Missouri, Arkansas, Florida, Virginia,
Oregon

Surface Area: 3,500 sf each

Year Completed: Ongoing

Knoebel Construction's work with Aspen Dental draws on both retail center and healthcare expertise. Aspen Dental locates clinics within retail centers to fulfill their mission to make dental care more accessible.

The Knoebel team focuses on building modern dental facilities that are welcoming to patients, create efficient workflow for clinic staff and honor Aspen Dental's branding. The building shell and interior finishes for each clinic are typically constructed within a fast-track schedule of 16 weeks from shovel to opening.
