

## Burger King: 51 Locations in 12 States

### PROJECT DESCRIPTION

**Client:** Burger King

**Location:** Georgia, Iowa, Illinois, Kansas, Minnesota, Missouri, North Carolina, Nebraska, Ohio, Pennsylvania, South Dakota, and Texas

**Surface Area:** 3,200 to 4,500 sf

Knoebel Construction was the general contractor for the construction and renovation of 51 Burger King locations in 12 states from 2013 through 2020.

The construction projects feature the newest store layout and design for Burger King, the fifth-largest fast-food chain in the United States. Knoebel equipped all of the locations with two drive-through lanes, a layout that is becoming more popular among fast-food restaurants.
