

Jiffy Lube: 10 Locations in 6 States

PROJECT DESCRIPTION

Client: Jiffy Lube

Location: 10 Locations, 6 States

Surface Area: 3,500 square feet

Year Completed: 2020-2021

To date, Knoebel Construction has been tasked with building 10 specialized, Jiffy Lube automotive centers for franchisee, Stonebriar Auto Services. Each 3,500-square-foot location features open basement structures that are unique to Jiffy Lube. Construction of these service pits required specialized protocols and coordinated scheduling of work by construction partners to maintain safety and unimpeded progress.

Knoebel's extensive experience in automotive industry construction includes new construction projects for Blue Beacon Truck Wash, NAPA Auto Parts, Love's Travel Stops, O'Reilly Auto Parts and more.
