

A'Beautiful Soul/Altar'd State West County Mall in St. Louis

PROJECT DESCRIPTION

Client: Altar'd State

Location: Des Peres, MO

Year Completed: 2018

Knoebel Construction was general contractor on the new Altar'd State women's clothing store at the West County Mall in St. Louis, MO.

The new 10,400-square-foot location in St. Louis' West County Mall debuts a new store concept that combines Altar'd State with their new sister-store, A'Beautiful Soul, which offers new size options for women.

Designed to be a beautiful shopping oasis, the West County location is nearly twice as large as their traditional stores. The new location also introduces Altar'd State's new store design features including live-plant wall and checkout desk. Other stunning features include hardwood floors, elegant dressing room and stained-glass divider wall.

Since 2012, Knoebel Construction has built more than 80 stores across the United States for Altar'd State.
