

## Lucky's Market: Multiple Locations

### PROJECT DESCRIPTION

**Client:** Lucky's Market

**Locations:** Michigan, Indiana, Missouri, Kentucky,  
Florida

**Surface Area:** 26,000 square feet each

Knoebel Construction brought the newest look for Colorado-based Lucky's Market to locations in multiple states.

The stores feature stained floors, unpainted ceilings and the chain's first-ever, made-to-order ramen bars. Other store features include a café, large produce department, sushi bar, in-house butchers, deli with counter, juice bar, bulk foods, artisan cheese shop, wine section and community rooms.

The Lucky's Markets were completed in 2018 on a fast 120-day timeline. Ann Arbor, MI
