Surface Area: 30,000 square feet

Years Completed: 2014-2020

Architect: Partners in Architecture

Patel Brothers is the largest Indian-American supermarket chain in the United States. The 30,000-square-foot grocery stores feature a wide variety of authentic, Indian grocery and spice products, including dry goods, frozen items and fresh produce.

Knoebel Construction has built ten locations for Patel Brothers in eight states: Arizona, Georgia, Indiana, Massachusetts, North Carolina, Pennsylvania, Tennessee and Texas.

The construction projects consisted of conventional steel-framed and masonry-shell construction as well as custom interior finishes.
