

## Streetside Tacos

### PROJECT DESCRIPTION

**Client:** Streetside Tacos

**Location:** Washington, MO

**Surface Area:** 2,020 square feet

**Year Completed:** 2018

**Architect:** The Van Hooser Partnership

Knoebel Construction was the general contractor of the new Streetside Tacos in Washington, Missouri. The new 2,020-square-foot restaurant features an outdoor patio, open-view kitchen, vibrant artwork, salsa and chip bar and views of the Missouri River and Washington Riverfront.

The restaurant is located in the former Langenberg Hat Building. Knoebel recently completed the \$3 million renovations on the historic building. Knoebel's work included structural modifications and all-new HVAC, electrical, plumbing, roofing, sidewalks, stairs, parking lot and elevator.
