

## Talbots: 30+ locations

### PROJECT DESCRIPTION

**Client:** Talbots

**Location:** 30+ locations

**Surface Area:** 4,500 square feet

**Year Completed:** Ongoing

Over the past decade, Knoebel Construction has built more than 30 new retail locations for Talbots, a specialty retailer of women's clothing, shoes and fashion accessories.

With every Talbot's location, the focus is on delivering a store that exceeds customers' expectations and enhances the shopping experience.

Most recently, Knoebel completed the interior finish of Talbot's 4,500-square-foot flagship Chicago store in 2016.
